Strikers Start Shutting Down U.S. Railways

Vandalism Reported in Phone Strike

By THE ASSOCIATED PRESS

Isolated instances of vandalism have marked the strike by 400,000 members of the AFL-CIO Communications Workers of America but most telephone service across the nation continued to function normally.

Meanwhile, negotiators for the Bell Telephone System and the CWA continued talks on wages, fringe benefits and a variety of local issues.

The worst vandalism in the strike which began Wednesday occurred in Elgin, Ill., where a firebomb Thursday did an estimated \$50,000 to \$75,000 damage to a company garage. Windows were broken in the Elgin central office and shots were

All that were sentenced had entered pleas of guilty on Monday.

The case of Frank Hill, et al, vs Arkansas Highway Department in the matter of right-of-way land was continued until September 2.

Economy Is Better, Not Spectacular

By BILL NEIKIRK
Associated Press Writer

WASHINGTON (AP) — The nation's economy advanced steadily but unspectacularly in the April-June period, but inflation slackened to the lowest rate in three years, the government said today.

The Commerce Department said the Gross National Product, output of the nation's goods and services, scored a \$19.7-billion increase in the second quarter, but more than half of the eight per cent climb was attributed to price increases.

The department said GNP reached a seasonally adjusted annual rate of \$1,040 trillion in the quarter from April through June, with consumer spending leading the advance.

The increase fell short of the Nixon administration's forecast, and was a main reason why the President's advisers abandoned the target of an average \$1.065 trillion GNP for all of 1971. The increase failed to match a \$30 billion gain in the first three months of the year.

The department said the rate of inflation dropped to 4.2 per cent in the April-June period, down from the 5.3 per cent of the first quarter and the lowest one-quarter rate of inflation since the second quarter of 1968.

The economy actually advanced at a real rate of about 3 1/2 per cent, said by economists to be below the rate needed to cut into a high rate of unemployment.

On Thursday, the Federal Reserve Board signaled unhappiness with Nixon administration economic policies by lifting its sensitive discount rate a notch higher in a move toward tighter money.

Brothers Arrested in Stolen Car

Two brothers, Jerry Coleman, 26, and Bobby Ray Coleman, 30, of Hope are being held by the Sheriff's Dept. in Peoria, Ariz. in connection with the theft of an auto from Montgomery and Smith Motors of W. 3rd St. The two men were picked up Thursday morning in the stolen auto. They will be extradited to Arkansas.

Southern Part of State Hot

By THE ASSOCIATED PRESS
Cooler temperatures will be felt in all but the southern portion of Arkansas through Saturday as a stationary front has moved into the state.

Highs in the northern portion should be in the mid 90s, but in the south, mid-90s to 100-degree weather is forecast.

The chance of thundershowers early tonight exists only in the southeast section, with partly cloudy skies prevailing over the entire state through Saturday.

The stationary front brought relief to the northern portion this morning, where the lows were about 10 degrees cooler than Thursday.

On Thursday, Texarkana recorded 105 degrees for a state high for the second day in a row. In the Central portion, Little Rock reached the 100-degree mark for the first time since July 3, 1970.

The moist air mass that dropped a little rain in Arkansas Thursday gained momentum as it moved eastward and caused some severe weather in eastern Tennessee as well as northern Alabama and Georgia.

Some small hail was reported as well as trees down in that tri-state areas.

Overnight lows at reporting stations around the state include Fayetteville 62, Harrison 67, Jonesboro 71, Pine Bluff 76, Texarkana 77, El Dorado 78, Memphis 75, Little Rock 75 and Fort Smith 73.

Rainfall reports for the 24-hour period ended at 7 a.m. today include .18 of an inch at Memphis and a trace at Harrison and Jonesboro.

Dock Workers Idle Ships in 34 Ports

SAN FRANCISCO (AP) — One hundred ships sit idle today in 34 ports from Canada to Mexico as the economic impact grows in 16th day of a strike by 15,000 West Coast longshoremen.

Ports have toted up millions of dollars in lost wages and diverted cargo.

Hundreds of workers in related dockside industries were reported laid off. Thousands of others were ordered to take early vacations.

The International Longshoremen's and Warehousemen's Union and the employer Pacific Maritime Association say no talks are scheduled.

In Southern California, John Parkinson, assistant general manager of the Harbor Department said, "We figure the economic impact on the Los Angeles-Long Beach harbors alone is \$15 million a month."

"The effects of the strike are also being felt not only in the United States but in foreign ports," he added. "You can't tie up a big market like the Pacific Coast without some effect worldwide."

Cargoes including industrial materials, foodstuffs, autos and pulp products have been re-routed to Canada and Mexico for unloading and land shipment to U.S. destinations. Eastern U.S. and Gulf ports also have received strike-diverted cargo.

Only military cargo and passenger ships have been unloaded since July 1, when the first coastwide strike in 23 years began.

ILWU President Harry Bridges said Thursday that longshoremen will load 28,804 tons of wheat and flour for relief of Pakistani refugees in India, requested by the Nixon administration.

The port of Vancouver, B.C., estimates it will unload 22,000 Japanese cars this month, 20,000 of which would normally dock at U.S. ports.

Seattle commissioners said the strike is costing \$185,000 a month in lost dockage, wharfing and storage fees and in unused equipment.

Port Director Miriam Wolff estimates San Francisco's loss at \$300,000 in wharfing fees alone.

The Golden Gate port produces 67,000 jobs a year with an annual payroll of some \$400 million, she said. The jobs include railroad and trucking work, as well as dock workers, agents, brokers and porters.

The union is seeking a two-year contract with a guaranteed 40-hour work week for regulars and 32 hours for casual employees; an 85-cent pay hike the first year and 75 cents the second over existing \$4.29 per hour levels; and a \$500 monthly pension for 25-year employees at age 62.

Man Arrested for June Burglary

James Lee Burton, 30, of Los Angeles, who is wanted in connection with burglary of Southwest Wood Products, was arrested last night. The arrest occurred at the Jumbo Burger at about 11:10 p.m. City police Officers Edwards and Sulzer made the arrest.

A warrant was issued for Burton's arrest on June 30. He is being held in the county jail.

Bars Horses From Texas

LITTLE ROCK (AP) — Gov. Dale Bumpers issued an order Thursday to prevent all horses from entering Arkansas from Texas.

The order was issued because several thousand horses in Mexico and Texas have died as a result of Venezuelan equine encephalomyelitis, a highly communicable sleeping sickness in horses. It causes of a sickness much like severe flu in humans.

Nixon's Surprise Visit to China Historic But Repercussions Likely

Moderates of China in Control

EDITOR'S NOTE: John Roderick of The Associated Press accompanied the U.S. table tennis team to Communist China in April, the first American news agency correspondent to visit there since 1949. Roderick reported from China from the end of World War II until 1948 and since has followed Chinese affairs closely.

TOKYO (AP) — President Nixon's decision to visit Peking immensely strengthens the moderate wing of Chinese communism, led by Premier Chou En-lai, which seeks to advance Communist aims peacefully rather than through the use of force.

The international Communist movement alternates between the use of war and the application of peace.

World Powers Concerned, Uncertain

WASHINGTON (AP) — President Nixon's Peking trip announcement brings the United States and Red China to the verge of diplomatic relations in an historic move that will have repercussions from the United Nations to Vietnam.

Premier Chou En-lai's invitation to the U.S. chief of state, and the President's acceptance, in itself raises Washington-Peking dealings overnight from a gradual thaw to the brink of formal relations for the first time since the Communists took over the Asian mainland in 1949.

The get-together of the leaders of the two great powers, in turn, will send waves across a broad international pattern with a kaleidoscope of consequences.

A prime issue for the United States is settlement of the Vietnam war. Peking in the past has been a vocal supporter of the North Vietnamese.

SAN CLEMENTE, Calif. (AP) — President Nixon's surprise announcement that he will visit Communist China brought follow-up word from the Western White House today that the trip will take place well in advance of next May 1.

Diplomats See Easing of Tension

HONG KONG (AP) — The diplomats here who form the West's eyes and ears on China look on President Nixon's prospective trip to Peking as a breakthrough in easing world tension. But they warn against undue optimism.

In general, these diplomats agreed that a new era in U.S.-China relations actually began with the secret visit of Nixon's adviser, Henry A. Kissinger, to Peking last weekend.

Most took note that Nixon's announcement said the U.S. action would "not be at the expense of our old friends"—seen here as an obvious reference to support the United States has given the Nationalist Chinese government ever since it was driven from China to the island of Formosa.

"Taipei is the real crux, not the Vietnam war, in U.S.-China relations," said a China analyst in an Asian Consulate General.

"Both the United States and China undoubtedly would like better relations and an easing of tensions," added a European specialist. "But how are they going to solve the problem of Formosa?"

"The United States has pledged support to the Nationalists. Peking has repeatedly said there can be no friendly relations with America so long as America supports the Nationalists."

Sinatra Donates for Youth Center

DESSERT HOT SPRINGS, Calif. (AP) — Frank Sinatra will donate \$12,000 toward construction of a \$30,000 youth center and swimming pool, says Mayor William Schultz. Sinatra lives 10 miles south of here in Cathedral City.

DESSERT HOT SPRINGS, Calif. (AP) — "I will undertake what I deeply hope will become a journey for peace—peace not just for our generation, but for future generations on this earth we share together."

The President quoted from a joint announcement, made simultaneously in Peking.

"Knowing of President Nixon's expressed desire to visit the People's Republic of China, Premier Chou En-lai, on behalf of the government of the People's Republic of China, has extended an invitation to President Nixon to visit China at an appropriate date before May 1972. President Nixon has accepted the invitation with pleasure."

Thunderstorm Damages Crops

BLYTEVILLE, Ark. (AP) — County Agent Keith Bilibrey of Mississippi County said Thursday that damage to crops caused by a thunderstorm Wednesday night was the most extensive he had seen in more than 25 years.

The thunderstorm, accompanied by hail and high winds, swept through northern Mississippi County. The heaviest crop damage were in the areas of Armored and Tomato.

"It looks like a total disaster for several thousand acres," Bilibrey said.

Several houses and farm buildings were also damaged by high wind.

Electrical power was knocked out in Blytheville and several small planes were damaged at the Blytheville airport.

Inspection Proof to Be Required

Colonel Bill Miller, Director of the Police Services Division reminded motorists that Act 827, which regulates motor vehicle inspection will become effective July 19th.

Miller said this act requires proof of a vehicle being inspected within 30 days prior to application for license renewal or for transfer of a vehicle license.

He said each motorist will be given a certificate of inspection after the vehicle has been inspected and approved. The certificate of inspection will be filled out by the mechanic inspector at your local inspection station. This certificate should be mailed or presented to the Motor Vehicle Section of the Department of Finance and Administration as proof of inspection when making application for license renewal or transfer of registration or license.

Miller goes on to say that the owner or operator of any vehicle which is registered in the State of Arkansas and is out of state during the period that such vehicle is required to be inspected under Arkansas law, may obtain a certificate of inspection for such vehicle from the state in which the vehicle is assigned, stationed or garaged. However, if such state does not have a motor vehicle inspection law, the vehicle shall be inspected within five (5) days after returning to this state.

Two Killed in a Shootout

EL DORADO, Ark. (AP) — Two men shot each other to death Thursday during an apparent argument over a house near the Union County community of Dodge City.

Sheriff Homer Pirtle identified the two men as Marlin Hicks, 42, of Route 1, Junction City, and A. D. Hanson, 78, of Haynesville, La.

The shooting occurred at the house which Hicks had been renting from Hanson and which Hicks was vacating Thursday, officers said.

Lottery for Draft Set Next Month

By ROBERT A. DOBKIN
AP Military Writer

WASHINGTON (AP) — The Selective Service System says the 1972 draft lottery, postponed once because of congressional delay in extending the draft act, will be held next month—law or no law.

"We think it's important to have the lottery because the kids are anxious to know what their numbers are," a Selective Service spokesman said Thursday. "We don't know when Congress is going to act and that's why we're going ahead with it."

Aug. 5 tentatively has been set for the lottery to determine the order in which young men will be drafted into the Army in 1972.

Originally scheduled for July 1, the lottery was postponed after House-Senate conferees deadlocked over legislation to extend the draft act two years.

The stalemate is over an amendment calling for a U.S. pullout from Vietnam within nine months after Hanoi agrees to release American prisoners of war.

At the time the deadlock developed, a Selective Service spokesman said Draft Director Curtis Tarr could have held the lottery as scheduled but did not want to appear acting without approval from Congress.

Tarr now apparently has decided to go ahead, since there are indications Congress may not reach a compromise until the fall.

A spokesman said it wouldn't be fair to wait any longer for the thousands of young men who want to make plans with a new school year drawing near.

Although Selective Service will go ahead with the lottery, the June 30 expiration of the draft act has forced a delay in calling up 16,000 men requested by the Defense Department for the Army in July and August.

However, the 500,000 men who were deferred when the old law was in effect but are otherwise eligible could be drafted, but there has been no decision on this by the Nixon administration.

Secretary of Defense Melvin R. Laird has said he is "not in favor of using such an unfair method to select the people for the July and August call."

fired at a nonstriker's home.

Two phone company employees were arrested and charged with arson in the burning of cables that cut telephone service to 8,000 subscribers in Mundelein, Aurora and Libertyville, Ill.

There was similar cable damage in Vineland, N.J., and Gretna, Neb. About 15 cables have been cut in the Los Angeles area, affecting about 1,500 customers. In the San Francisco area some 2,700 subscribers were affected by cable cuts.

In each case, emergency crews worked to repair the damage and most service was quickly restored.

A sulphur bomb thrown into a New Rochelle, N.Y., telephone company office ventilating system forced the evacuation of more than 100 nonstrikers.

Horse Disease Is Striking Humans

AUSTIN, Tex. (AP) — Health officials from throughout Texas gathered at Austin today for an emergency meeting in the wake of an epidemic of a mosquito-carried disease akin to sleeping sickness that has struck horses and humans in the state.

Both animal and public health authorities were unable to report the latest cases in horses and humans, but the last report indicated that 34 persons in the Lower Rio Grande Valley have been hospitalized with symptoms and more than 500 horses have been stricken.

In addition, doctors in Fort Worth said a father and two sons who had returned from a fishing trip on the Lower Texas coast had developed symptoms of the malady.

The disease—Venezuelan equine encephalomyelitis, or VEE—is milder in humans than horses. Health authorities have estimated that the mortality rate in horses can be up to 80 per cent while humans suffer flu-like symptoms and recover within a few days.

The disease has killed thousands of horses during the past two years in South America, Central America and Mexico.

Horses throughout Texas were being vaccinated on a voluntary basis with an experimental vaccine developed by the U.S. Army. There is no vaccine for humans, and the vaccine being used for horses has strong side effects for humans.

The U.S. Senate Thursday voted an additional \$1 million appropriation as an amendment to a farm bill to help combat the disease.

Horse owners in other states became alarmed over the rapid spread of the disease in Texas. By late Thursday, nine states and Canada had placed an embargo on Texas horses. Other states were considering similar action. The strongest embargo was in Virginia where officials said they are barring any horse that has been in Texas during the past 60 days.

Meanwhile, the first apparent case of VEE was reported in Louisiana. Dr. Tommy Williams, president of the Louisiana Veterinarians Association, said tests were being made on a horse at DeRidder which showed visual symptoms of the malady.

The state embargo action came after a federal quarantine imposed earlier by the U.S. Agriculture Department.

The federal embargo, which prohibits the movement of horses out of state or from one county to another within the state, was imposed shortly after the first case of VEE was confirmed in humans at Brownsville and the experimental vaccine was ordered released.

The meeting at Austin was called to give federal and state health experts an opportunity to discuss the disease with state and local health authorities.

Dead horses continued to cause health problems in the Valley. One official estimated that 25-30 horses were dying each day in Cameron County.

U.S. Air Force planes continued a spraying operation in the Valley to reduce the mosquito population.

El Dorado Decision Delayed

EL DORADO, Ark. (AP) — U.S. District Judge Oren Harris delayed Thursday a final decision on a new School Board plan for desegregating El Dorado schools.

The board's proposal calls for a formula utilizing busing for the elementary grades. John Walker of Little Rock, attorney for the plaintiffs attacking the plan, claimed the proposal would put most of the burden of busing on black pupils in grades one through five. Under the plan, the sixth grade would be housed in three separate buildings.

After a day-long hearing Thursday, Harris said he needed more details on possible bus routes and on when the black pupils would be notified to which schools they would be assigned.

Although Harris did not issue a formal ruling, he told the board that "freedom of choice" could not be used as a method

AP&L Blames Arkla

WASHINGTON (AP) — Arkansas Power & Light Co. attorneys said Thursday that Arkansas Louisiana Gas Co. was curtailing deliveries of natural gas more than necessary under its "husbanding" policy.

Under Arkla's husbanding policy deliveries of gas are withheld during the summer months so there will not be a gas shortage during the winter months.

AP&L attorneys made the accusation at a Federal Power Commission hearing in Washington on a proposed gas curtailment plan submitted by Arkla.

Arkla has presented testimony at the hearing that it was withholding 200 million to 250 million cubic feet of gas a day from its industrial customers to conserve it for future use.

AP&L, which is one of the first industrial customers to be affected under Arkla's curtailment plan, contends that Arkla's gas supply situation is not as critical as reported.

Arkla says that gas deliveries must be curtailed to industrial customers until a new supply of gas is obtained.

of desegregating the elementary grades. He said he did not have the authority to require "racial quotas" for the schools, but he said "any school of one race is assumed to be in violation" of the law.

Thieu, Ky Linked to Drug Ring

By HUYNH MINH TRINH
Associated Press Writer

SAIGON (AP) — President Nguyen Van Thieu and Vice President Nguyen Cao Ky had no immediate comment today on a report that the illegal drug traffic is helping to finance their presidential campaigns.

Phil Brady, a National Broadcasting Co. correspondent in Saigon, said his report was based on information from Vietnamese sources. It was broadcast Thursday on NBC Nightly News.

Brady said the sources told him that many illegal drugs are brought in by the Vietnamese air force with the "blessing" of Ky, a former commander of the air force.

The sources, Brady said, claimed Ky made a fortune smuggling gold and opium and "went on to say since becoming vice president Ky left the job to trusted subordinates in the air force but still shares in the profits. And, they added, Ky needs the money more than ever before for his presidential campaign chest."

Ky, who has announced he will oppose Thieu in the Oct. 3 election, has denied previous allegations that he smuggled narcotics and gold.

Brady said Thieu is obsessed with being re-elected and because he needs money for the campaign he is "not asking where it comes from."

Brady quoted his sources as saying "another outfit pushing drugs is the Vietnamese national police," commanded by Maj. Gen. Tran Thanh Phong, who "is said to also be raising money for the presidential race."

"The biggest pusher is said to be Lt. Gen. Dang Van Quang," Brady reported adding that Quang was relieved of his command for corruption several years ago but "today Quang is Thieu's closest adviser" and has "filled Thieu's campaign chest."

Rep. Robert H. Steele, R-Conn., told a House subcommittee in Washington last week that Maj. Gen. Ngo Dzu, military commander in the central highlands and central coastal region, was a major trafficker in narcotics. But Brady said that "according to extremely reliable sources," Dzu "is being framed by others higher up who are involved in drugs."

Brady said Vietnamese and American officials have the evidence.

Dzu, who has denied Steele's allegation, said today he believes one man seeking "personal revenge" is behind the charges against him. He would not name the man.

B52s Attack Cong
SAIGON (AP) — Waves of U.S. B52 bombers today attacked North Vietnamese positions in the northern quarters of South Vietnam in the heaviest raids in five days.

The nearly two-week lull in ground fighting persisted with only minor patrol actions reported.

A dozen B52s, trying to deter a North Vietnamese offensive below the demilitarized zone, dropped 360 tons of bombs on suspected troop concentrations, supply depots, bunker complexes and anti-aircraft sites.

The raids ranged from a mile below the DMZ to 12 miles southeast of Khe Sanh.

The bulk of a 1,500-man South Vietnamese task force pulled back into South Vietnam Thursday after a one-week drive into eastern Cambodia during which they failed to make any significant contact with the enemy.

December 21 is known as the winter solstice in the northern hemisphere.

Here's how

We'll build this home for you... on your property. You'll find that it's well engineered... built to really last... built out of rugged materials that go on and on with little or no maintenance. We'll completely finish the outside of this home at an amazingly low price. We'll include the shutters and two coats of quality paint. Now the hard part is finished and here is where we'll stop if you tell us to... but we will do more. As a matter of fact, after finishing the outside we'll stop at almost ANY stage of inside completion. Then you take over and do some or all of the costly inside finishing. Just a little or a lot... it doesn't matter how much but the more inside finishing you can do for yourself, the LOWER YOUR COSTS and the more money you'll save.

use the code word "ARCH" at trick one. A Count of winners and losers would have shown him that with both the heart and diamond finesses wrong he would only score nine tricks if he tried the luxury of a heart finesse. How could he make the hand? By refusing the heart finesse!

South did play the queen of hearts. East took his king and led back the queen of clubs. Later on South lost two clubs and a diamond.

Make that queen of hearts in dummy a small heart. South would rise with the ace since there would be no temptation. He would cash his ace and king of trumps and lead the queen of diamonds for a finesse. East would win with his king, cash the king of hearts and shift to a club, but it would be too late to get two club tricks. South would win the trick; play his good jack of diamonds enter dummy with the jack of trumps and discard one losing club on the diamond ace.

HELEN HELP US!

by Helen Bottel

WIVES ANSWER "OTHER WOMAN"

Dear Readers:
Which letter got the most reader-reponse during the last few months? "Other Woman" ruffled countless feathers with her open letter to a wife. Here are some samples:

Dear Helen:
Is "Other Woman" bragging or complaining? Maybe my husband is one of her playmates. I know he runs around. True, he wouldn't leave me for just a "body." He's probably ashamed to be seen with her outside of bed, knowing that she "prevents coronaries" in other men, too.

She may be having fun now, but I wouldn't want her conscience when she's too old to attract these "poor neglected husbands." —FLUNKY

I'm a "neat housekeeper, good cook and conscientious mother" as "Other Woman" described us. We all know what SHE does to keep what little her kind has of our men.

Someday, when we wives can relax, we will still have our husbands, for we have shown in many ways that we love them. What they want now from "Other Women" is just something different for a while. How sorry I feel for them. Maybe they "treat our men like kings," but all we have to do is "wake up" (as she puts it) and they'll be home at the count of three, because we hold all the trump cards. We're stability, family, a well-ordered house, good food, prestige in the community—and love too, when they're ready to stop chasing. —A CONFIDENT WIFE

This is an open letter to "Other Woman": Please, O.W., next time my man (and he is mine) knocks on your door, tell him to go home to his wife who loves him dearly. Maybe she overlooked a few things, working at home and then at outside jobs until midnight-sometimes 17 hours a day, while he got 10 to 12 hours sleep each night, or could have, had he not been "preventing a coronary" with you.

Sure, the wife was tired. She'd had a major operation with only a few weeks off. But now she's fine, and knows she made mistakes.

Please don't be that terrible "other woman" to him any more. I'll treat him like a king—but you must get out of his life and give me this chance to prove myself. Remember, there are two sides to every story. And thanks for all your help. —LEARNED MY LESSON

Dear Helen:

My only advice to "Other Woman" is: keep trying to win this man for yourself, dear. You might make his present caretaker very happy! And then prepare yourself to be dumped as she was, when he drifts on to the next O.W. —ANOTHER WOMAN

Dear Helen:

Here's what it's like to be in love with a married man: You feel as if your whole world

By JERRY BUCK
AP Television-Radio Writer
HOLLYWOOD (AP) — The life of a television performer can sometimes be a case of feast or famine, as actress Patte Finley will testify.

When you're a regular in a series, the money rolls in. And when you're canceled the checks stop arriving.

In 1969 Patte made "From a Bird's-Eye View," which is now being shown on NBC. "I was Mrs. Gotrocks that year all over Europe," she said.

In 1970 she made exactly \$1,750 and her only job was a guest shot on "The Mary Tyler Moore Show." She said, "People ask me how I lived. Cheaply. No, off my savings. It was not the best of years. I got all my U.S. federal income tax back. My accountant, who charged me \$250 the year before, offered to do it free."

Patte—pronounced Pat—is now taping NBC's "The Funny Side," which will take a humorous look at the American way of life.

"If I hadn't got 'The Funny Side' I think I would have just given up," she said. But even at the beginning of this year things began to look up. She got another guest shot on the Moore show and did several commercials as "your average Mrs. Housewife."

She is also cast as a housewife on "The Funny Side." In fact, as the Middle America wife of a blue collar worker. Everyone in the cast will represent a stereotype. "We're trying to show the funny side of what's happening in America today," she said.

Patte, daughter of a Supreme Court judge in the state of Washington, got her start Off Broadway 12 years, then landed parts in "Kiss Me Kate," "Damn Yankees," "The Unsinkable Molly Brown" and other stage shows. Her big break came when she got the second lead in "Hello, Dolly!" during the show's second year and stayed with it through the fourth year.

Pittsburgh 4-3 Over San Diego

By HAL BOCK
Associated Press Sports Writer
"The game's not over till the last man is out."

Nobody knows just who first coined that famous remark about the grand old game of baseball. But manager Danny Murtaugh believes it. Oh, does he ever believe it.

Murtaugh watched his Pittsburgh Pirates work their way dangerously close to their last out three times Thursday night, only to bounce back each time against San Diego. The Pirates eventually beat the Padres 4-3 with Roberto Clemente's 17th inning home run ending the longest game of the National League season.

Elsewhere in the NL, Thursday, Los Angeles shut out Atlanta 6-0, New York defeated Houston 9-4, Chicago edged Philadelphia 7-6, Cincinnati shaded San Francisco 2-1 and St. Louis split a doubleheader with Montreal, winning 7-3 and then losing 6-4.

In the American League, Milwaukee blanked New York 1-0, Boston shut out Minnesota 3-0 in 13 innings, Washington whipped Chicago 8-3, Kansas City blanked Cleveland 1-0, Baltimore edged California 4-3 and Oakland nipped Detroit 8-7.

The Pirates simply refused to give up against the Padres and as a result, stretched their winning streak to seven games. Forgive Murtaugh if there were a couple of moments when he figured the streak was over.

San Diego nursed a 1-0 lead into the ninth inning and the way starter Dave Roberts was pitching, it looked like enough. But the Pirates scratched out the tying run on a walk, a bouncing single by Jose Pagan and Gene Alley's sacrifice fly.

Roberts, who had struck out slugger Willie Stargell four times, left in the 10th and three innings later, Stargell got even.

The Padres had taken the lead in the top of the 13th on a pinch homer by Ivan Murrell. Reliever Al Severinsen struck out the first two batters in the bottom half of the inning and that left only Stargell.

The big slugger walloped his 31st homer over the wall, tying the game again. In the 16th, the Padres tried again, pushing across the tie-breaking run again, this time on a wild pitch.

But again, the Pirates refused to fold. This time there was only one out in the bottom half of the inning when Richie Hebner tagged his 14th homer of the year, tying it again.

If by now the Padres' spirit was broken, they could hardly be blamed. Clemente then gave them a mercifully quick finish, hammering a one-out homer in the 17th to end the 4-hour, 12-minute marathon.

Los Angeles chopped a game off San Francisco's West Division lead, blanking Atlanta while the Giants were dropping a tough one in Cincinnati.

The Dodgers used home runs by Jim Lefebvre, Willie Davis and Richie Allen for four runs and that was plenty for Claude Osteen, who hurled a six-hitter. Davis also contributed a single and a triple to L.A.'s attack.

Tony Perez ripped his 15th homer of the year and third in the last two games to give the Reds their fifth straight victory and beat San Francisco. Perez shot broke a 1-1 tie with two out in the bottom of the ninth inning. Lee May's 24th homer accounted for Cincinnati's other run.

The Mets spotted Houston as early 4-0 lead but bounced back to overtake the Astros. Cleon Jones' two-run homer gave New York the lead in the seventh and Tug McGraw pitched six shut out innings in relief to earn the victory.

Joe Pepitone's leadoff homer touched off a six-run Chicago explosion and the Cubs roared from behind to ship Philadelphia.

Chicago was trailing 6-1 in the sixth inning when Pepitone homered. Then Don Kessinger and Glenn Beckert contributed a couple of triples as the Cubs rallied.

The season's two no-hit pitch-

ers, Philadelphia's Rick Wise and Ken Holtzman of the Cubs, were the opposing starters but neither lasted past the fourth inning.

Matty Alou and Ted Simmons cracked three hits each and Joe Torre drove in three runs with a pair of singles as St. Louis whacked Montreal in the first game of their doubleheader for Steve Carlton's 13th victory.

The Expos took the nightcap behind Bill Stoneman, exploding for four runs in the fourth inning to halt a four-game losing streak and a five-game St. Louis winning string.

Plunkett Signs With Patriots

By THE ASSOCIATED PRESS

The National Football League season is still two months away but the New England Patriots already have recorded their first victory—the signing of Jim Plunkett, Stanford's Heisman Trophy-winning quarterback.

Plunkett came to terms with the Patriots and the signing took place in Chicago where he is preparing for the College All-Stars game against the Baltimore Colts. The contract, however, was announced by Patriots' General Manager Upton Bell at the team's training camp at Amherst, Mass.

Bell said the pact was for more than one year but he did not disclose any other details.

The 6-3, 210-pound quarterback set NCAA records in passing yards with 7,887 yards. In his final collegiate performance with the Indians he led them to a 27-17 victory over Ohio State in the Rose Bowl.

THURSDAY'S STARS
By THE ASSOCIATED PRESS

PITCHING — Claude Osteen, Dodgers, blanked Atlanta on six hits as Los Angeles defeated the Braves, 6-0.

BATTING — Rico Petrocelli, Red Sox, broke up a scoreless duel in the 13th inning with a three-run homer against Minnesota, giving Boston a 3-0 victory over Twins.

came up on the West Coast where running back Mike Garrett said he wants more than the San Diego Chargers want to give him. The former Heisman Trophy winner said he is ready to play this season but he wants to get paid like a valuable running back should.

Sid Gillman, Chargers' general manager, said he wasn't worried too much about Garrett because the player is still bound by the option clause in his contract.

The New York Giants acquired defensive tackle Roland Lakes from the San Francisco 49ers. Lakes is a 10-year veteran of the NFL and has started for the 49ers for the past eight seasons.

San Francisco gets a high future draft choice in return for Lakes.

Elsewhere in the NFL training camps, rookie hopefuls continued going through their paces under the scrutiny of the coaches, and veterans worked at testing old injuries which could spell the difference in their readiness for the coming season.

One veteran, Matt Snell of the New York Jets, reported to the team's Long Island camp to work on the flexibility of his Achilles tendon. The rupture of the muscle last season caused the Jets' fullback to miss 11 games.

Tom Goode of the Baltimore Colts decided to retire after nine years in the pro football wars. The 32-year-old center spent only half a season with the Colts after being picked off waivers from Miami but he climaxed his career by snapping the ball Jim O'Brien kicked for the winning field goal in Super Bowl V.

The Philadelphia Eagles suffered a shock when quarterback Rick Arrington injured his left knee while working out from the tight end slot in a passing drill. He was hurt in a collision with two defensive backs. He was taken to a hospital for a full examination of the injury.

Western Open Is Struggle for Trevino

CHICAGO (AP) — Golf's have-nots, as far as PGA victories this year are concerned, are dominating the Western Open Golf Tournament and if Lee Trevino doesn't make the cut after Friday's second round, the old tourney itself could become a have-not.

The streaking Trevino, winner of the U.S., Canadian and British Opens within the last month, found his iron shots flying spinlessly from the long fairway grass and struggled over the storied Olympia Fields course in three-over-par 74 Thursday.

The effervescent Mexican-American, followed by most of the 11,100 galleryites, was eight strokes off the pace set by 35-year-old Bruce Crampton.

The Aussie veteran of the tour blazed in with a 66, one over the competitive course record, consuming only 26 putts. This included 11 one-putt greens and a remarkable string of sinking from 50, 35, 60, 14 and 12 feet before missing two successive four-footers.

"It's just fate when those long ones drop," said Crampton, whose last victory was the \$250,000 Westchester Open last year. "But that's golf, and it takes a few like that to win a tournament. I'm in front, and I'm told the only way to win is to get in front and improve your position."

Looking over Crampton's shoulder with 87 were Tommy Aaron who has slowed his swing after missing two cuts in the last three weeks; Dale Douglass with 68 and a group at 69—Dick Lotz, Chuck Montalbano, Bobby Greenwood, Gay Brewer, Phil Rodgers and Bob Brue.

None has won a tournament this year.

In all, 28 matched or broke par 71, and it looked as if it would take 147 or 148 to keep in the field when it is trimmed to the 70 low scorers and ties after Friday's round.

Another round of fairway flyers and Trevino may fail to make the cut. The same with Billy Casper with an opening 73.

Interest would sag considerably if Trevino is out and the Western Open—offering a \$30,000 first prize—could suffer crowdwise. Proceeds go to the Chick Evans Caddy Scholarship fund.

Yastrzemski, Conigliaro Bury Hatchet

By BERT ROSENTHAL

Associated Press Sports Writer
Carl Yastrzemski and Billy Conigliaro, the feuding Boston outfielders, buried the hatchet, then Rico Petrocelli went out and buried the Minnesota Twins.

Petrocelli, upset by a close pitch thrown by Minnesota's Stan Williams in the 13th inning, crashed the next delivery by the Twins' right-hander into the left field screen for a three-run homer, powering the Red Sox to a 3-0 victory Thursday night.

Elsewhere in the American League, Oakland outslugged Detroit 8-7; Baltimore topped California 4-3; Kansas City blanked Cleveland 1-0; Washington trounced Chicago 8-3; and Milwaukee nipped New York 1-0.

In the National League, Pittsburgh outlasted San Diego 4-3 in 17 innings; Cincinnati defeated San Francisco 2-1; Los Angeles trimmed Atlanta 6-0; New York whipped Houston 9-4; St. Louis and Montreal split, the Cardinals winning the opener 7-3 and the Expos taking the nightcap 6-4; and Chicago overcame Philadelphia 7-6.

The Boston-Minnesota game was one of the longest scoreless battles in the Red Sox' Fenway Park, one of the smallest fields in the majors. After the contest, the Red Sox were more eager to talk about the length of the game rather than the publicized dissension which had wracked the club for the past week.

Conigliaro had touched off the strife. He reacted to the retirement of his brother, Tony, by accusing Yastrzemski for Tony's trade to California last October. Billy also accused Yastrzemski, Reggie Smith and equipment manager Don Fitzpatrick of being part of a conspiracy, with a great deal to say about the running of the team. Yastrzemski denied the charges, and Smith called Billy a "Quitter," saying he never again wanted to play with the younger Conigliaro.

Yastrzemski and Billy patched up their differences at a news conference Wednesday. Smith was not at the meeting.

Thursday night, all three were in the same outfield. And it was Smith who started the winning rally, working Williams for a two-out walk. He stole second and Yastrzemski was intentionally walked, before Petrocelli drilled Williams' 1-2 pitch for his 15th homer of the season.

The first two pitches to Petrocelli were strikes, then Williams fired the ball over his head, just missing his batting helmet. "I was ready for anything, then," said the slugging Boston shortstop.

Boston starter Luis Tiant dueled Minnesota's Jim Perry for the first 10 innings, the Red Sox' right-hander scattering 10 hits and the Twin's veteran allowing only three hits. Bill Lee held Minnesota hitless for the final three innings and earned the victory, raising his record to 8-2.

Oakland, leading the American League West by 1½ games, rallied for three runs in the bottom of the ninth to beat Detroit. Rick Monday's homer with one out brought the A's to within 7-6. Then, with two out, Mike Epstein walked and pinch runner John Odom scored the tying run on Dave Duncan's double. Duncan raced home with the winner on Dick Green's single.

Pat Dobson, who pitched and won Baltimore's last game Sunday, capped a decisive two-run, tie-breaking rally in the seventh with a run-producing single to register his eighth consecutive victory. Dobson's hit followed singles by Dave Johnson and Mark Belanger, and a run-scoring wild pitch by Andy Messersmith as the Orioles snapped a 2-2 deadlock. Dobson, 11-4, scattered nine hits. The victory left Baltimore 5½ games ahead of Boston in the AL East.

Dave Nelson, who had opened the bottom of the first with his first homer of the season, capped a six-run Washington sixth with a two-run single against the White Sox. It was the Senator's first victory in seven games against Chicago this season.

Dick Drago, 10-5, shackled Cleveland on eight hits and scored Kansas City's only run against Sam McDowell on Lou

Ryun Quits European Tour

OSLO, Norway (AP) — Jim Ryun Thursday night quit his European tour after a rather poor showing in an international track meet at Bislet here Wednesday night.

"I want to go home," Ryun said laconically after having finished third on the 800 meter race.

Ryun, who had just started his scheduled four-week tour, went home with his wife, Anne, and their daughter, Heather. For the moment he is uncertain whether his disappointing showing means an end to his career.

Discouraged? Hell No, Says Trevino

By BOB GREEN

Associated Press Golf Writer
CHICAGO (AP) — "Discouraged? Hell no, I'm not discouraged. With the things that have happened to me in the last few weeks, they could come out and break my clubs and I'd be standing there laughing."

Lee Trevino was talking about a three-over-par 74 in the first round of the \$150,000 Western Open Golf Tournament Thursday that left him well

back in the field.

"Actually, 74 is about as bad as I could have shot," said the bubbly, breezy Mexican-American who vaulted to dominant position in professional golf with the completion of an unprecedented sweep of the United States, Canadian and British Open championships only last Saturday.

"I hit the ball exactly where I wanted to hit it," Trevino said. "But these greens are about five times as fast as last week (in the British Open at Royal Birkdale). I just kept running it right by the hole."

Trevino admitted there may be a little extra pressure on him this week, but it's not because of his British Open

triumph last week.

"There's always pressure," the 31-year-old extrovert said.

"I've got a little pressure this week because I'm going for three in a row." Arnold Palmer was the last to score three consecutive victories, back in 1964.

Then that now-famous grin spread across Trevino's dark face, he turned up the bill of his golf cap and said:

"But if I don't win here, well, that takes the pressure off next week."

And next week is the \$250,000 Westchester Classic, the richest on the tour this year, with \$50,000 to the winner. Trevino, the season's leading money winner at \$195,349, is almost certain to break the single season record for prize money.

Happy With Choice Says Plunkett

AMHERST, Mass. (AP) — Jim Plunkett, his signature on a multi-year contract, says he is "happy to be with the New England Patriots and looking forward to working with Joe Kapp and all the rest of the men on the team."

The Heisman Trophy winner from Stanford, picked by the Patriots as the National Football League's No. 1 draft choice this year, signed Thursday night in Chicago where he is currently working out for the

College All-Star Game.

The announcement that the 6-foot-3, 210-pound quarterback had come to terms was made by the Patriots at their training camp here on the University of Massachusetts campus.

"We're very pleased that he has signed," General Manager Upton Bell said. "He has a lot of great potential for the future."

Plunkett, speaking to the news conference here via telephone hookup to Chicago, said it was "definitely a load off my mind" to be in the fold.

"I'm pleased with the contract," he said, but both he and the Patriots declined to give any specifics beyond the fact that it was for more than one

year.

Plunkett will come to the Patriots' camp right after the College All-Star Game on July 30 in which he and other pro rookies will meet the NFL champion Baltimore Colts.

Once here, he'll be battling for the first-string quarterback job with Kapp, who joined the club during the 1970 season after leading the Minnesota Vikings to the NFL title the previous year.

"I'll be at a disadvantage reporting late," Plunkett said. "Physically I'll be ready to go but I'll have to learn the terminology systems and personnel, so I'll have a lot of work to catch up on."

Bell, however, indicated that he thought there were benefi-

Travelers 11-5 Over San Antonio

LITTLE ROCK, AP — Jorge Roque scored four runs to lead the Arkansas Travelers to an 11-

5 victory over the San Antonio Spurs Thursday night.

Roque, who had three hits in four trips to the plate, also slammed a two-run homer over the right-field fence.

Roque's homer put the Travelers ahead to stay in the first inning. Danny Napoleon, Wayne Dees and Skip Jutze drove in seven of the Arkansas runs.

The final blow came in the sixth inning when Skip Jutze smacked a bases-loaded double to right center.

In other Dixie action, Memphis blanked Albuquerque 1-0. Dallas-Fort Worth edged Shreveport 5-4. Amarillo defeated Birmingham 5-2 and Savannah split a doubleheader with Charlotte, winning the first game 3-0, but dropping the nightcap 3-2.

Mo. Lutherans Keep Watch on Doctrine

By GEORGE W. CORNELL
AP Religion Writer
MILWAUKEE, Wis. (AP) —

Brushing aside pressures to go it alone, the Lutheran Church-Missouri Synod intends to keep working with other branches of that tradition, but with a closer watch on doctrinal matters.

It has ordered a review of the work in that area, among others, as carried on by the Lutheran Council in the U.S.A.

In taking the action Monday night, the denomination's governing convention threw out about 60 proposals that it pull out of the council, the cooperative organization of three major Lutheran bodies.

The Missouri Synod is the most conservative among them. At the same time, the governing convention of 2.8-million-member Church took up controversial proposals to break communion with the 2.5-million-member American Lutheran Church, and to sharpen its own controls on belief.

The "iron fist" is how the Rev. Dean Lueking of River Forest, Ill., described the measure that would bind members to conventional doctrinal definitions.

"It's not Lutheran," he added, recalling assertions by the 16th century Protestant reformer Martin Luther that councils could err and none could bind the conscience.

Others said the measure would allow for the most extensive regulations on interpretations of Scripture of any mainline Protestant denomination.

At present, Lutherans are obliged to accept only the Scriptures and their historic confessional creeds.

After an hour's debate, a decision on the matter was deferred. The eight-day convention runs through Friday.

On another issue, the Church reaffirmed and made more absolute its ban on women ministers, declaring the "word of God does not permit women" to serve in any pastoral capacity.

He has commanded women to "keep silence in the churches," since "Adam was formed first, then Eve, and Adam was not deceived, but the woman was deceived and became a transgressor," the resolution said, quoting Paul and Timothy in the New Testament.

The issue of women's role in the Church also figured in the proposals to halt intercommunion with the American Lutheran Church, which recently acted to allow ordination of women.

Nixon Names Ambassador

SAN CLEMENTE, Calif. (AP) — Howard P. Mace, a career Foreign Service officer, has been named ambassador to Sierra Leone, President Nixon announced Wednesday.

Mace, 55, a resident of Arlington, Va., has had assignments in Germany, Japan and in the State Department as deputy assistant secretary of organization and management. Since 1969 he has been director of personnel and deputy director general of the Foreign Service.

She is free on bond after being held in federal custody for nearly two months.

WASHINGTON (AP) — FBI Director J. Edgar Hoover today confirmed what antiwar activists have claimed and the Justice Department has refused to acknowledge—a Detroit grand jury is investigating the March 1 bombing of the U.S. Capitol.

for Carl Yastrzemski,
Power Is

FAITH. That simple faith of our fathers is still the strongest force on the face of the earth. "It has the highest batting average for good," says outfielder Carl Yastrzemski, Boston Red Sox triple crown winner in 1967 and American League Batting champion in 1968. "I believe that God goes to bat for and with a fellow when the going gets rough. He adds power and purpose to everything I undertake. This knowledge, coupled with my faith in all people, especially my team mates, has helped me field some of the toughest problems of my life."

To Yastrzemski, the 1967 Red Sox were the epitome of power. They won the pennant. "In a sea of doubt, we believed we could and we were. The enthusiastic support from our Winter Haven training center and our loyal New England fans spelled the difference in many close games." With all men God spells the difference between victory and defeat in the closest game of all, the game of life.

"Yes, I believe in an Omnipresent Power, the greatness of America, and the goodness of people. My personal family and my Red Sox family all find comfort, strength and happiness when we worship together."

So They May See == Psalm 91 == So They May Hear

HE THAT DWELLETH in the secret place of the most High shall abide under the shadow of the Almighty.

2. I will say of the Lord, He is my refuge and my fortress: my God; in him will I trust.

3. Surely he shall deliver thee from the snare of the fowler, and from the noisome pestilence.

4. He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler.

5. Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day;

6. Nor for the pestilence that walketh in darkness; nor for the destruction that wasteth at noonday.

7. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee.

8. Only with thine eyes shalt thou behold and see the reward of the wicked.

BECAUSE THOU hast made the Lord, which is my refuge, even the most High, thy habitation;

10. There shall no evil befall thee, neither shall any plague come nigh thy dwelling.

11. For he shall give his angels charge over thee, to keep thee in all thy ways.

12. They shall bear thee up in their hands, lest thou dash thy foot against a stone.

13. Thou shalt tread upon the lion and adder: the young lion and the dragon shalt thou trample under feet.

14. Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.

15. He shall call upon me, and I will answer him: I will be with him in trouble; I will deliver him, and honour him.

16. With long life will I satisfy him, and shew him my salvation.

beautiful hymns and gospel songs. The dust of every day life was washed from our souls as we sat prayerfully listening.

On Saturday morning at 10:00 o'clock, the convention was called to order by president Carmichael. The inspirational singing was conducted by Brother Roosevelt House. Devotion was conducted by Rev. Russell. Then the program was read and adopted. Echoes from the field were given by the division A.B.C. and D. presidents. Rev. Dewitt Johnson, pastor of Owens Chapel, Murfreesboro, brought the morning message.

The afternoon session consisted of a thirty minute music clinic conducted by Mrs. D. D. Stafford of Mt. Zion in Malvern. Music information and inspiration were gained by all who attended the clinic.

At 7:30 the four divisions were united in a special talent program. Miss Debro Collins represented the Lonoke Baptist Church and was at her best as she sang "The Broken Vessel" by Andrae Crouch. Brother Carmichael represented division B. by singing, "I Thank You Lord", and "My Record".

Mr. Haynes recently retired from the U.S. Navy, and he and his family are vacationing in various parts of the country including several states in the U.S., and Canada. They are enroute home to California via of Louisiana where they will visit his relatives.

Ack Ack Tries for Gold Cup

Ack Ack, winner of six straight stakes, and Cougar II, winner of five added-money races this year, will shoot for the \$100,000 first money in the Hollywood Gold Cup—maybe.

Maybe the weight will keep them from starting in the \$175,000 invitational at Hollywood Park, says trainer Charlie Whittingham. Ack Ack has been assigned high weight of 134 pounds.

The big race in the East Saturday is the \$100,000-added Amory I. Haskell Handicap at Monmouth Park, with Pass Catcher, the Belmont Stakes winner, expected to oppose nine others.

If Ack Ack, owned by Forked Lightning Ranch, and Mary Jones' Chilen-bred Cougar II, don't go in the 1 1/4-mile Gold Cup, Whittingham still will be represented by Burt Bacharach's Advance Guard, 120.

If all three start, they will not run as an entry because of a California racing rule that separately owned horses cannot be coupled in the wagering.

Eight other handicap runners are scheduled to compete in the Gold Cup, including the tough mare, Manta, and Figonero, 117 each.

Pass Catcher, 113, Peter Kissel's 3-year-old, is expected to compete against nine older horses including Caesar P. Kimmel's 1 Pound Gold, 116, the only conqueror of Bold Reasoning, in the 1 1/4-mile Haskell. Other prospects include Ejempopo, Jontilla and Matto.

Frank Leahy in Critical Condition

PORTLAND, Ore. (AP) — Frank Leahy, who stepped down as Notre Dame football coach in 1963 after leading the Irish to four national titles, remained in critical condition today after undergoing surgery.

Dr. David Miller said Leahy, 62, was in "extremely critical" condition before the operation but "is coming under control nicely now." Miller said he was "somewhat optimistic."

Leahy has a heart condition, and the operation was to remove fatty tissue interfering with the functions of the kidneys and liver, the doctor said. Leahy's son, Fred, said his father became seriously ill Thursday after returning to his home in the Portland suburb of Lake Oswego.

This your newspaper. Write to it. Address letters to: Editor The Star, P.O. Box 648, Hope, Ark. 71801.

All letters must be signed, with address so you are identified to the newspaper staff, but if the character of the letter permits we will allow use of a pen-name in the publication, in case you should add "Citizen," or some other word below your real name and address.

Pen-names are permitted when a letter deals only with issues. Direct attacks upon public officials, however, must bear the writer's name for publication.

(Editor's Note: Local members of the Communication Workers of America union after reading Associated Press stories in regard to pay scale emphasized the scale listed is not the one applied to the local telephone office which is now being struck. The local scale is listed in the following letter.)

Local Pay Scale

Editor The Star: In the Hope office per week: the beginning wage for operators is \$80.00, tops is \$102.50. The beginning wage for craftsmen is \$100.00, the top wage is \$163. The people on pension for the telephone company have not received a raise in pension pay since 1913. There are people who have worked an entire lifetime for the telephone company who are receiving less than \$100 per month pension payment.

When the minimum wage law of \$1.60 per hour came into effect, the telephone company had to raise the salaries of some personnel to bring them up to the minimum wage law. The telephone company has a guaranteed profit no matter what their expenses are. All that we are asking for is a fair wage for what we earn. We are there to serve the public, rain, sleet or snow. The rise in cost of living has taken all of the raise we received in 1968. Therefore, as I said before, all we want is a fair wage for the work we do. Signed

WORLD POWERS (From Page One)

has been Hanoi's most militant backer among major Communist powers.

More recently Peking has shown signs of easing its stand. An Australian Labor party leader quoted Chou Wednesday as saying China would be willing to take part in a Geneva-type conference on Indochina.

During his trip, and in contacts preceding it, Nixon will have an opportunity to take up the Southeast Asia peace question with the Chinese.

At the United Nations, the Nixon announcement spurs chances for Red China's entry as early as this fall. Peking seemed assured of entry sooner or later, but many had expected the time would not come before 1972.

A major stumbling block remains: What happens to Taiwan at the United Nations?

The Nixon administration has made plain it does not want its Taiwan ally to be ousted from the world body as a price for seating Peking. Yet both the Nationalist and Communist regimes claim they are the sole representatives of China, and so should have the Chinese seat in the Security Council and General Assembly.

U.S. relations with Taiwan, already frayed from Nixon's warm-up moves toward the Communists, are likely to suffer further. The Chiang government quickly lodged a stiff protest when it heard of Nixon's announcement.

From Peking's standpoint, the U.S. 7th Fleet's defense of Taiwan is a major issue. Washington has stooied its defense commitment to Taiwan, and Red China in past talks at Warsaw has refused to take up other matters because of this.

The Nixon visit also will have its impact on the deep rivalry between Peking and Moscow. Each of the Communist super-states has accused the other in the past of consorting with the "capitalist imperialist" United States.

"Our action ... will not be at the expense of our old friends," he said in his brief address. "It is not directed against any other nation Any nation can be our friend without being any other nation's enemy."

Mitchell Raps U.S. Judiciary

LONDON (AP) — U.S. Atty. Gen. John N. Mitchell said today the American judiciary has spent too much time "making new law and new public policy," and too little determining guilt or innocence.

Taking to task both the bar and the bench, Mitchell said: "We face in the United States a situation where the discovery of guilt or innocence as a function of the courts is in danger of drowning in a sea of legalisms."

The judiciary, he said, should "recognize that perhaps it has been too preoccupied in the exhilarating adventure of making new law and new public policy from the bench, and that this function of the courts has outdistanced the more sober task of judging guilt or innocence."

Hitting at a favorite theme in remarks prepared for the general assembly of the American Bar Association, Mitchell said both judges and lawyers have a responsibility to see that the right of an individual to a fair trial does not outweigh the right of society to speedy justice.

He decried what he termed "the Hydra of excess proceduralisms, archaic formalisms, pretrial motions, post-trial motions, appeals, postponements, continuances, collateral attacks, which can have the effect of dragging justice to death and stealing the very life out of the law."

Mitchell called on the legal profession to work for solutions to the crowded court dockets, lengthy trials and numerous appeals he said are resulting in a "loss of public confidence in the courts."

"My plea is for the profession to intensify its reforms in these conceptual areas—to revive the court's primary function as a finder of fact, to restore finality as one of the attributes of justice, to breathe life into the ancient adage, 'justice delayed is justice denied.'"

"For its part, the bar needs to review some serious ethical

HOLLYWOOD (AP) — Singer Tom Jones has been named the most desirable man in the world by the Hollywood Bachlorette Society, a group of starlets.

questions. Every attorney is, after all, an officer of the court, and is duty-bound to preserve its effectiveness," Mitchell said.

"In its turn, the bench is in the best position to halt the stampede of delaying tactics that is overrunning the name of justice itself. It can exercise great judgment in identifying and resisting those devices designed to obstruct rather than to promote justice."
